

## MCC Bookstore Textbook Rental Program

Students now have the option of renting textbooks from the MCC Bookstore. To rent, you must agree to our rental terms available below. Some things you may want to know before choosing to rent your textbook:

- ▼ Not all textbooks are available for rent. If your course materials include an access code or a workbook, your book may not be available to rent (check with a bookstore employee for more details).
- ▼ Rental books are bound by the same return policy as purchased books. Please refer to our return policy listed on the back of our receipts.
- ▼ The rental fee can be paid for by check, cash, financial aid, and debit or credit card.
- ▼ Every rental MUST be secured with an active credit card. This card will not be charged if you are choosing a different method to pay for your rental fee and will only be charged if you do not return the textbook(s) by the **rental due date of 12/20/17**.
- ▼ Textbooks may be rented on our website or in store.
